## Reviews the Administration Report of the Excise Department for the year 1947-48.

## READ—

Letter No. B. 323-48-49, dated 4-10th December 1948, from the Excise Commissioner in Mysore, Bangalore, forwarding the annual report on the administration of the Excise Department for the year 1947-48 together with the prescribed Statistical statements.

ORDER No. S.R. 1032-44—Ex. 119-48-4, DATED BANGALORE, THE 12TH SEPTEMBER 1949.

## Recorded.

In pursuance of the accepted policy of achieving total prohibition in the State in a period of five years a reduction of 20% in the number of excise shops as well as in supply of intoxicants to them, was effected with effect from 1st July 1947. With a view to co-operate with the Government of Madras in their policy of Prohibition, a five-mile dry belt along the State border adjoining the Prohibition Districts of Madras Province, was created with effect from 1st April 1948 by the closure of all the excise shops in the belt besides closing all the remaining excise shops in the Bowringpet Taluk from the same date.

In addition to the above, steps were taken earlier on the same lines by the gradual closure of all the excise shops in Ramanagaram and Channapatna Taluks of Bangalore District and later all the shops in Pavagada and Melkote Taluks.

were also closed with effect from 1st January 1947 being the border taluks of Madras Province, where prohibition is in force. These shops continued to be closed during the year also.

**Country Spirits.**—The contract in favour of the Mysore Sugar Co., Ltd., for the manufacture and supply of liquors and the rates of several liquors payable to them continued during the year as in the previous year.

The number of shops licensed for the retail vend of molasses arrack was 377 (516) while that for the sale of bottled liquors was 26 (27).

The consumption of arrack of 35° U. P. was 3,59,097 gallons (4,84,838 gls.) while that of special liquors supplied in bottles was 14,547 gallons (18,561 gls.) The fall in the number of shops and in consumption is stated to be due to the policy of Prohibition embarked upon as explained above.

The incidence of consumption of arrack per 100 of the population came down to 3.42 (6'76) proof gallons.

**Rectified and Denatured Spirits.**—The number of licenses issued to chemists, druggists, charitable institutions and industrial concerns in the State was 68 (44). The Distillery at Mandya continued to be under the executive control of the Deputy Commissioner, Mandya District.

A quantity of 100 gallons was also exported.

**Hemp Drug.**—There was no cultivation of ganja during the year. The number of shops licensed to sell ganja was 178 (255) and the consumption was 6,673 (8,558) seers during the year. The duty on ganja was raised from Rs. 55 to Rs. 65 per seer of 80 tolas.

**Offences.**—The total number of offences reported during the year under Excise and Opium Acts was 4,248 (4,932), of which 951 (806) cases related to heinous offences. Including 290 (208) cases pending disposal at the beginning of the year, the total number of cases for disposal was (4,538) (5,140). Out of this, 3,508 (4,217) cases were disposed of departmentally and 914 (633) cases were sent up for trial in courts, leaving 116 (290) cases pending disposal at the end of the year. Out of a total number of 926 (656) cases before Magistrates, convictions were secured in 841 (602) cases during the year.

**Finances.**—The Revenue of the department during the year under the principal heads was as noted below:—

	Rs.	a.	p.	Rs.	a.	p.

2. Toddy ...	76,53,373	13	9	(1,02,16,316	11	5
3. Ganja ...	8,48,422	5	5	(11,02,642	1	9
4. Opium ...	1,71,194	15	4	(1,43,719	6	0
5. Other Items	15,11,575	4	9	(18,02,202	15	5
Total ...	Rs. 1,57,81,382	2	1	2,06,55,653	0	

Including the arrears of Rs. 66,497-3-3 (Rs. 1,54,491-6-6) outstanding at the beginning of the year, the total demand of Excise Revenue amounted to Rs. 1,58,50,996-6-6 (Rs. 2,07,34,996-15-1). A sum of Rs. 1,57,81,382-2-1 (Rs. 2,06,55,653-0-1) was collected and a sum of Rs. 21,497-6-6 (Rs. 12,846-11-9) was remitted, leaving a balance of Rs. 48,116-13-6 (Rs. 66,497-3-3) at the close of the year.

There was a fall in Revenue under all the heads except under opium, which recorded an increase due to increase under "gain on manufacture of opium". The fall in Revenue was due to general cut of 20 per cent in rentals and consumption.

The expenditure of the department during the year amounted to Rs. 5,84,327-1-1 (Rs. 4,71,694-8-9). The incidence of taxation per head of population was Rs. 2-3-2 (Rs. 2-1-1).

**Inspections.**—The Deputy Commissioners of Tumkur, Moga, Mandya and Hassan have not conducted any inspection during the year while the Deputy Commissioner, Kolar, inspected the Excise Branch of his office only. Their absence is drawn to Standing Orders in this behalf.

**General.**—The age old system of disposing of excise opium privileges by public auction, was discontinued during the year on the recommendation of the Prohibition Committee. They were renewed in favour of the previous year's license subject to 20 per cent reduction in the number of shops, rentals and consumption. The Mysore State Temperance Federation carried on, as usual, propaganda against the use of drink habit.

Though a good number of statements are appended to the Administration Report, hardly any reference is made to them in the body of the Report. This may be done in future to make the report more useful.

The working of the department was generally satisfactory.
